Respect Life Presentations

by Monique Achtman, Educational Resource Consultant

We continue to adapt to the recommendations for sharing our two life-affirming, educational Respect Life presentations in school classrooms. A few 8th grade students from Prince of Peace School generously shared testimonials of what they learned from the **Respect You: You Matter** presentation in April:

"We can grow as individuals and strengthen ourselves spiritually and mentally, also physically." ~ **Anezka**

"If you think you don't matter you're wrong... you do matter." ~ **Mason**

"It's pro-life because it inspires joy, happiness and how to live a meaningful life and how much we're worthy and how much we matter to others, us and God." ~ **Liv**

"The presentation respects pro-life because it shows that people care for you." ~ **Rachel**

"Lose fear." ~ **Gabriel**

"That we should care for ourselves and that we all matter and we all have a purpose on earth." ~ **Avery**

"It tells us we matter and God will always be there for us, even in our low times God is always there." ~ **Helen**

Respect You: You Matter focuses on respect for one's own life reflecting on the aspects of the body, mind and soul; and taking good care of all of these. This enables us to respect each life we connect with from the past, in the present, and in the future.

Thankfully, we have many in-class bookings scheduled in May and June for the **Respect Life: Fetal Development** presentation, sharing the miracle of human life from conception until birth, and beyond. We show and tell using video, and life-size fetal development models. This is always a fascinating experience for the students!

THANK YOU FOR YOUR SUPPORT

Two fund raisers, along with memberships, and monthly donations, support the educational pro-life work that we do in schools.

The Hike for Life virtual campaign is scheduled from May 7 - June 11. Registration and online pledges can be filled in on line via our web-site at www.calgaryprolife.com.

The Mothers' Day Rose Sale will be held at participating churches (listed on the back of this page) after Masses on Saturday, May 7 and Sunday, May 8, 2022.

Virtual Hike for Life Pledge Sheet

The **Virtual Hike for Life** will run as it has during the past two years. You are invited to join us in prayer and intention for respect for life while doing a 10K hike, walk, run, mountain climb, or bike ride in your community. Thank you for supporting educational pro-life presentations to students in schools and beyond. To keep the integrity of the fundraiser, please commit to 10K (1.5 hours) and receive pledges for your effort to show a public witness to furthering a pro-life culture in our society, and in the world.

Register as a team (leader), under a team, or as an individual on our Hike for Life webpage accessible via www.calgaryprolife.com. You will receive a link to share your own fundraising page (on-line pledge sheet) with your family, friends, colleagues, neighbours, etc.

Should you prefer an "old-fashioned" pledge sheet, please contact us at **(403) 243-0691**. Or you may fill in the form below. We will arrange for pick up of the funds raised this way, as we do not have set office hours at this time.
